K&K CONTACT INFORMATION SHEET HANDOUT - KEVIN CISMOWSKI

He is on our website for any questions. Hal Tumbleson and Kevin will be putting together a question/answer section for our NCCC website. They will give the questions to the Parliamentarian (RE's) & RCD'S, once the answers have been deemed within NCCC's guidelines they will put out on the website.

Also Hal will be notifying the RE when an insurance question comes up in their region. So the RE will be aware of any situations within Region.

Still taking bids for Insurance from other companies – thus far no one touches us.

CHILDRENS WAIVER - BOTH PARENTS NEED TO SIGN – CAN BE SIGNED ONCE AND KEPT ON FILE FOR A YEAR.

Kevin told about a recent instance where a minor's pants or tux was torn at a Homecoming where club corvettes were used to drive them around. Parents came to the club wanting them to repair/by the tux. And the signed waiver that "both the parents had signed earlier" was shown to them and the parents dropped the subject.
