

TEXAS COMPETITION CORVETTE CLUB

The membership of Texas Competition Corvette Club cordially invites you to attend their inaugural SW Region NCCC autocross event at the TSTC airport in Waco, Texas on October 9, 2010. Make plans now to attend the 7 low speed autocross events as we prepare a fast and fun filled racing experience.

Tech inspection for entrants will begin Friday night at 5:00 pm and end at 9:00 pm at the track. After tech, you will be able to leave your rig at the track on Friday night. Gates to the track will be locked following tech inspections for your security. Late arrivals are permitted to leave their rigs outside the gate in the parking lot. Saturday morning tech inspection begins at 7 am & ends at 8 am.

Please remember, *no smoking, alcohol, or unattended children* in the hangar. *No alcohol consumption or firearms are allowed on the TSTC campus.*

This event is a *"High Thrills & No Frills"* event to keep costs low and the excitement high - so there will be no hospitality or presentation of awards to the winners.

Please make arrangements for lunch Saturday during the event. There are several fast food establishments near the track or you can enjoy your picnic basket lunch in the comfort of the hangar.

A list of local hotels is being provided since no host hotel was secured for this event.
