

Cen-Tex Corvette Club Mid Coast Corvette Club

April 1-2, 2017

We look forward to having everyone at our NCCC event for 2017. We will have **14 low speed autocrosses**. We will be using a new venue this year at McLane Stadium (Baylor football) in Waco. This is a large smooth asphalt parking lot.

You will be able to leave your rig in the stadium parking lot Friday and Saturday night. Tech will be at the stadium till 8pm on Friday then Saturday/Sunday morning up until the drivers meeting.

No lunch will be provided in order to keep entry fee to a minimum. There are several establishments close by or you can bring yours with you. We do plan to run an efficient event allowing for a lunch break.

The drivers meeting will start at 8:00 AM. The first car on the track by 8:15.

To keep costs to a minimum, there will be no awards, shirts, or trophies. Our goal is to provide you with thrills, not frills.

We are going to be allowing non Corvette and/or non current NCCC members to enter the event this year. The rate will be higher to cover an "NCCC Enthusiast" membership. The entry deadline allows us time to process the membership. This level of entry should adhere to the deadline so we can process the membership. Below are the rules for those entrants:

1. Entrants that are not NCCC members driving Corvettes that meet the safety and classification requirements of a NCCC Class may participate in that Class.
 - A. They will not be awarded points, nor affect member's points.
2. Entrants that are not driving Corvettes may compete in Guest Class(es) provided:
 - A. They meet the safety requirements of Group 2 if using any DOT approved tires, or meet the safety requirements of the equivalent Group 3 Class if using tires not approved by DOT.

The safety requirements can be located on the web at:

https://www.corvettesnccc.org/Handbook/Rulebook2017-2018_Ch_2_Autocross.pdf

Everyone will sign the NCCC waiver!

Something that may interest those not racing or after the event is the Magnolia Silos and market (Fixer Upper) is only 1.5 miles away
