

Longhorn Corvette Club

Fast and Furious Race weekend, Sep 22 & 23, 2018

The Longhorn Corvette Club invites you to our 2018 Fast and Furious weekend. We will be hosting 7 low speed autocross events, matching times drags, bracket drags and record drags (all drags are ¼ mile). This year's autocross will be held at TSTC in Waco, Tx and the drags will be held at Little River Dragway, in Holland, TX. This is a no trills weekend, so no awards, t-shirts, etc. What we will provide is a fun weekend of racing.

A big thank you to CenTex for helping coordinate TSTC!

You will be able to leave your rig in the parking lot Friday and Saturday night at TSTC. On Saturday night, you have the choice of leaving you rigs at Little River. The gates will remain open all night. Please note we will be sharing Little River with the finalist for the Jr. Drags on Sunday. This should allow for some additional cooldown time between runs. We do not anticipate any significant impact to the schedule on Sunday.

Entrants buying the full weekend packages will get one lunch ticket included in the package, for each day. Additional lunch tickets are \$7ea, per lunch. The TSTC skills group will be providing lunch for us on Saturday and the Little River track concessions will be open on Sunday.

Registration and tech will be available Friday night 5pm-8pm at the TSTC parking lot. Tech and registration will also be available from 7:30 til 8:30 on Saturday and Sunday at the respective venues.

We are allowing non-Corvette and/or non-NCCC members to enter the event. The rate will be higher to cover an "NCCC Enthusiast" membership. The entry deadline allows us time to process the membership. This level of entry should adhere to the deadline so we can process the membership. Below are the rules for those entrants:

- *Entrants that are not NCCC members driving Corvettes that meet the safety and classification requirements of a NCCC Class may participate in that Class. They will not be awarded points, nor will they affect NCCC member's points.*
- *Entrants that are not driving Corvettes may compete in Guest Class(es) provided: They meet the safety requirements of Group 2 if using any DOT approved tires, or meet the safety requirements of the equivalent Group 3 Class if using tires not approved by DOT. The safety requirements can be located on the web at: https://www.corvettesnccc.org/Handbook/Rulebook2017-2018_Ch_2_Autocross.pdf*

- *Enthusiast and Regular members will not compete head to head in the drags. Instead of Record ET Drags, Enthusiast will run an addition ET bracket drag. If you run as an enthusiast you will be not be eligible to set an NCCC record.*

Plumbing and hardware for Nitrous Oxide injection is allowed in Group-III and DP ONLY IF capped closed at Nitrous Oxide supply fitting. The Nitrous Oxide supply **MUST be removed from the car.**

For Record Drags there will be an impound area and all cars must enter the impound area after they have run under the record.

ALL Participants, Workers and Spectators must sign the NCCC waiver, Airport Waiver and Little River Waiver.

Long Pants, Sleeved Shirts, and Closed toe shoes are required in addition to NCCC requirements for Little River.

Brackets:

- A – 11.99 and quicker
- B – 12.00-12.74
- C – 12.75 – 13.49
- D – 13.50 – 14.24
- E – 15.00 and slower

There is no host hotel for this event. You will be able to find a wide range of accommodation in the Waco / Temple / Belton area. Please note there is a Baylor home game this weekend.
