### **NEW 8:00 PM-10:30 PM JAKE PENROD AND HIS MILLION-DOLLAR COWBOYS**

Luckenbach, TX (Physical Address for GPS: 412 Luckenbach Town Loop, Fredericksburg)  
Come have some fun under the neon beer signs listening to sound of this great band. There will be plenty of dust on the floor for dancing to when there were two kinds of music--Country and Western. FYI: We hope to get some Corvette friendly parking. You are more than welcome to show up before sunset to sip some Lone Stars and ensure you get a good parking spot.

***SATURDAY MARCH 10, 2018***

### **2:00 PM Cruise of Blanco County**

**Note change:** Start at around the Old Blanco County Square (300 Main St, Blanco, TX)  
The roads around Blanco are filled with chicanes and hills. Plus lots of scenery. The two-hour cruise will run along parts of the Devil's Backbone. We will stop at another legendary bar--The Devil's Backbone Tavern. Then return to the starting point. We will have Steve Snow of Greaseman Photography along the journey to capture us cruising these fine roads and some of the scenery. The cruise will end at the square. This should give you plenty of time to refresh and get ready for the banquet.

### **5:00 PM to 7:00 PM Happy Hour**

Join us for a whiskey tasting provided by 9-Banded Whiskey.

### **7:00 PM Banquet and Awards**

### **9:00 PM Concert by Blynde Faith**

Blynde Faith plays rock and country hits from the 1950s through the 2000s. Don't forget your dancing shoes.

***SUNDAY, MARCH 11, 2018***

### **9:00 AM Breakfast and Governor's Meeting at Blanco Bowling Club Cafe**

The Blanco Bowling Club Cafe is the site of one of the last 9-pin bowling alleys left in Texas. They make a great breakfast. The address is 310 4th Street, Blanco, TX.

### **NEW: 11:30 AM Visit to Martin Bros. Customs**

128 Martin Bros Lane, Johnson City, TX 78636

We get to hang out for a bit at this great custom shop made famous by Iron Resurrection. The Martins are looking forward to having us. We cannot stay long because they may need to film some for Season 3. The Corvette friendly parking near the garage is sparse so we will be parking on the PRIVATE Rd. We also hope Cato can make it too.
