

Corvette Association of South Texas

COAST

Spring Weekend, April 6 & 7, 2019

COAST invites you to our spring weekend. We will be hosting 7 low speed autocross events, matching times drags, bracket drags and record drags (all drags are 1/8 mile). This year's autocross will be held at Salado High School in Salado, Tx and the drags will be held at Little River Dragway, in Holland, TX. This is a no trills weekend, so no awards, t-shirts, etc. What we will provide is a fun weekend of racing. A big thank you to the Longhorn Corvette Club as they will be putting on the low speed autocross.

On Friday and Saturday night, you have the choice of leaving you rigs at Little River. The gates will remain open all night. La Quinta Inn & Suites Belton – Temple South is located on I35 next to Belton Expo Center and has a large parking lot as part of the Expo Center. The Expo Center has a large horse event that weekend so reservations should be made as early as possible.

Entrants buying the full weekend packages will get one lunch ticket included in the package, for each day. Additional lunch tickets are \$7ea, per lunch.

Tech and registration will also be available from 7:30 till 8:30 on Saturday and Sunday at the respective venues.

We are allowing non-Corvette and/or non-NCCC members to enter the event. The rate will be higher to cover an "NCCC Enthusiast" membership. The entry deadline allows us time to process the membership. This level of entry should adhere to the deadline so we can process the membership. Below are the rules for those entrants:

- *Entrants that are not NCCC members driving Corvettes that meet the safety and classification requirements of a NCCC Class may participate in that Class. They will not be awarded points, nor will they affect NCCC member's points.*
- *Entrants that are not driving Corvettes may compete in Guest Class(es) provided: They meet the safety requirements of Group 2 if using any DOT approved tires, or meet the safety requirements of the equivalent Group 3 Class if using tires not approved by DOT*
- *Enthusiast and Regular members will not compete head to head in the drags. Instead of Record ET Drags, Enthusiast will run an addition ET bracket drag. If you run as an enthusiast you will be not be eligible to set an NCCC record.*

Plumbing and hardware for Nitrous Oxide injection is allowed in Group-III and DP ONLY IF capped closed at Nitrous Oxide supply fitting. The Nitrous Oxide supply **MUST be removed from the car.**

For Record Drags there will be an impound area and all cars must enter the impound area after they have run under the record.

ALL Participants, Workers and Spectators must sign the NCCC waiver and the Little River Dragway Waiver.

Long Pants, Sleeved Shirts, and Closed toe shoes are required in addition to NCCC requirements for Little River.

Brackets:

- A. 7.60 and quicker
- B. 7.61-8.15
- C. 8.16-8.60
- D. 8.61 and slower
