

**The Cen-Tex Corvette Club &
The Texas Competition Corvette Club &
The Mid-Coast Corvette Club
September 24th & 25th, 2022**

We look forward to having everyone at our NCCC event for 2022 at Texas State Technical College (TSTC). We will have 14 low speed autocrosses in Waco, Texas on September 24th and 25th. We will be using a venue from previous years, TSTC Airport. This is a large smooth cement ramp area adjacent to the airport tower.

You will be able to leave your rig in the TSTC parking lot Friday and Saturday nights. Tech will be at TSTC till 8pm on Friday then Saturday/Sunday mornings up until the drivers meeting.

We will be providing lunch for entrants that have registered for a full days events. Lunch will be provided by the TSTC Skills Group and will be included as mentioned for paid entrants. Additional lunch tickets can be purchased during pre-registration. We do plan to run an efficient event allowing for a lunch break.

The drivers meeting will start at 8:00 AM. The first car on the track will be at 8:30. To keep costs to a minimum, there will be no awards, shirts, or trophies. Our goal is to provide you with thrills, not frills.

We are going to be allowing non Corvette and/or non current NCCC members to enter the event this year. The rate will be higher to cover an "NCCC Enthusiast" membership. All entrants will be required to have an NCCC membership, this is a Cen-Tex Corvette Club requirement for this event. The entry deadline allows us time to process the membership. This level of entry should adhere to the deadline so we can process the membership. Below are the rules for those entrants:

1. Entrants that are not NCCC members driving Corvettes that meet the safety and classification requirements of a NCCC Class may participate in that Class.
 - A. They will not be awarded points, nor affect member's points.
2. Entrants that are not driving Corvettes may compete in Guest Class(es) provided:
 - A. They meet the safety requirements of Group 2 if using any DOT approved tires, or meet the safety requirements of the equivalent Group 3 Class if using tires not approved by DOT.

The safety requirements can be located on the web at:

https://www.corvettesnccc.org/Handbook/2022-23_NCCC_Rulebook_1-1-2022.pdf?force_isolation=true

Everyone will sign the NCCC waiver!

Something that may interest those not racing or after the event is the Magnolia Silos and market (Fixer Upper) is only 8 miles away: <https://magnoliamarket.com/magnolia-silos/>

No host hotel has been reserved for this event, below are several hotels in the area.
