

Cen-Tex Corvette Club & Texas Competition Coast Corvette Club

March 18 - 19, 2023

We look forward to having everyone at our Spring NCCC event for 2023. We will have 14 low speed autocrosses. We will be using one of our venues from previous years, McLane Stadium (Baylor football stadium) in Waco, Texas just off of Interstate 35. This is a large smooth parking lot with a few medians in it that we stay away from.

You will be able to leave your rig in the stadium parking lot Friday and Saturday night. Tech will be at the stadium from 4:00 pm till 8:00pm on Friday then Saturday/Sunday morning up until the drivers meeting.

We will NOT have a concession stand on site this year for lunch. There are several fast-food restaurants (Wendy's, In-N-Out Burger, Chick-fil-A, etc.) within a mile of McLane Stadium that competitors can consider for lunch. We do plan to run an efficient event allowing for a short lunch break (45 minutes to an hour). There will be restroom facilities at the event venue.

The drivers meeting will start at 8:30 AM. The first car on the track will be at 8:45 AM. To keep costs to a minimum, there will be no awards, shirts, or trophies. Our goal is to provide you with thrills and an enjoyable weekend with friends. **Everyone will sign the NCCC waiver!**

We are going to be allowing non-Corvette entrants to enter the event this year. The rate will be higher to cover an "NCCC Enthusiast" membership. All entrants will be required to have an NCCC membership, this is a Cen-Tex Corvette Club requirement for this event. The entry deadline allows us time to process the membership. This level of entry should adhere to the deadline so we can process the membership. **Entrants that are not driving Corvettes may compete in Guest Class(es) provided:**

- A. They meet the safety requirements of Group 2 if using any DOT approved tires, or meet the safety requirements of the equivalent Group 3 Class if using tires not approved by DOT.**

The safety requirements can be located on the web at:
