When you go to https://axwaresystems.com/axorm/calendar_main.php you should see our events. If not search for OKCNCCC.
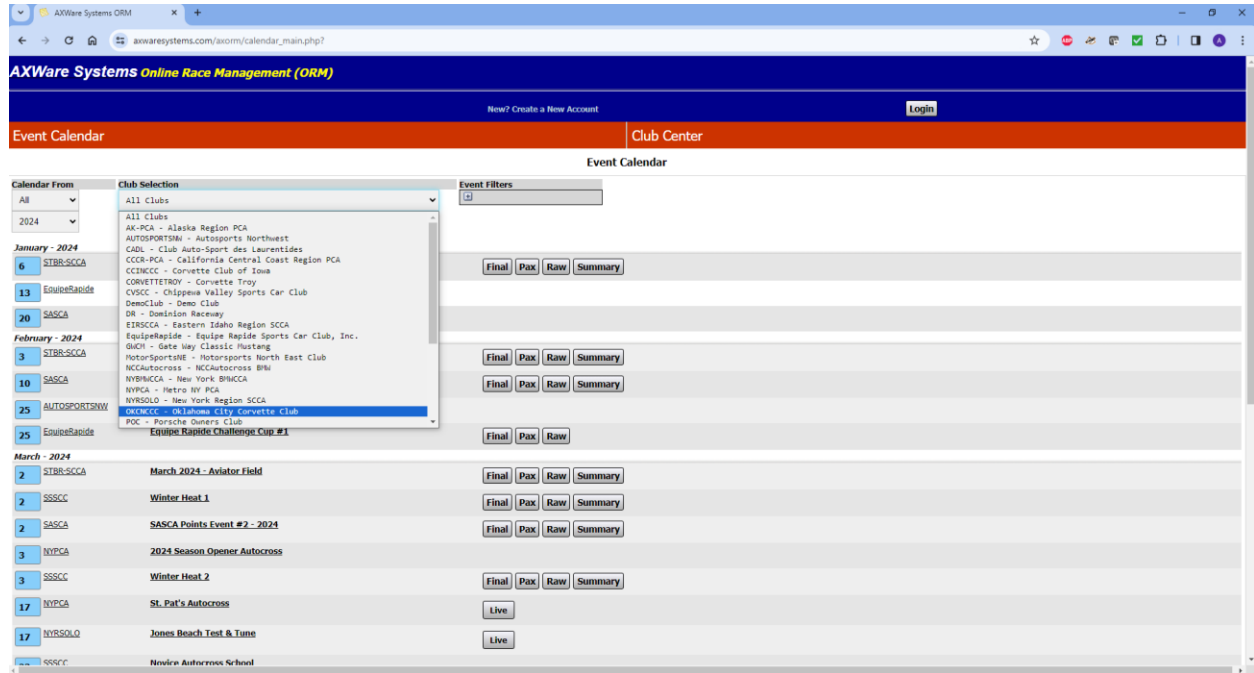

Once you get to this screen you will see "New? Create a New Account" (top middle of page)
You will need to fill this out **per your NCCC card** prior to registering, so if your NCCC Card has Joseph but you go by Joe enter it as Joseph, if it has Jr please enter it that way. So, "Joseph Racer Jr".
Fill out as much information as possible. As you enter you information if husband and wife are using the same car number I have it set up to accept that as in Glenda and myself, I use 668 and she uses 668L. Each participant will have to enter separate accounts. You can enter multiple cars and classes then choose which one for the event.
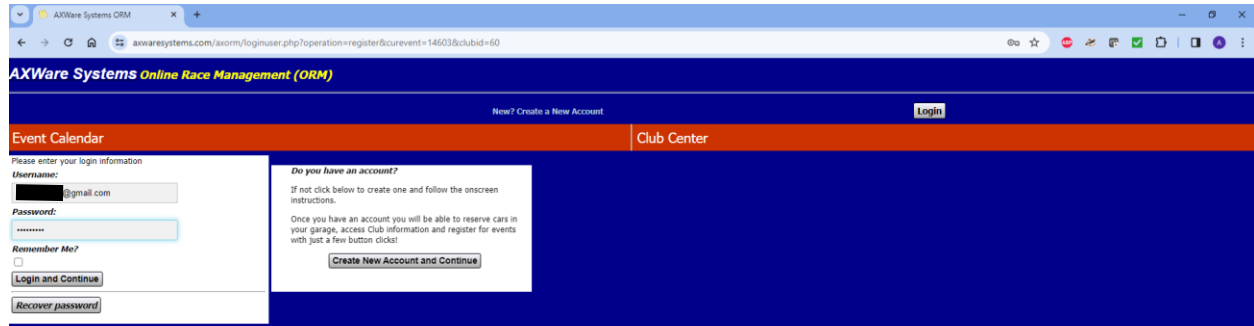

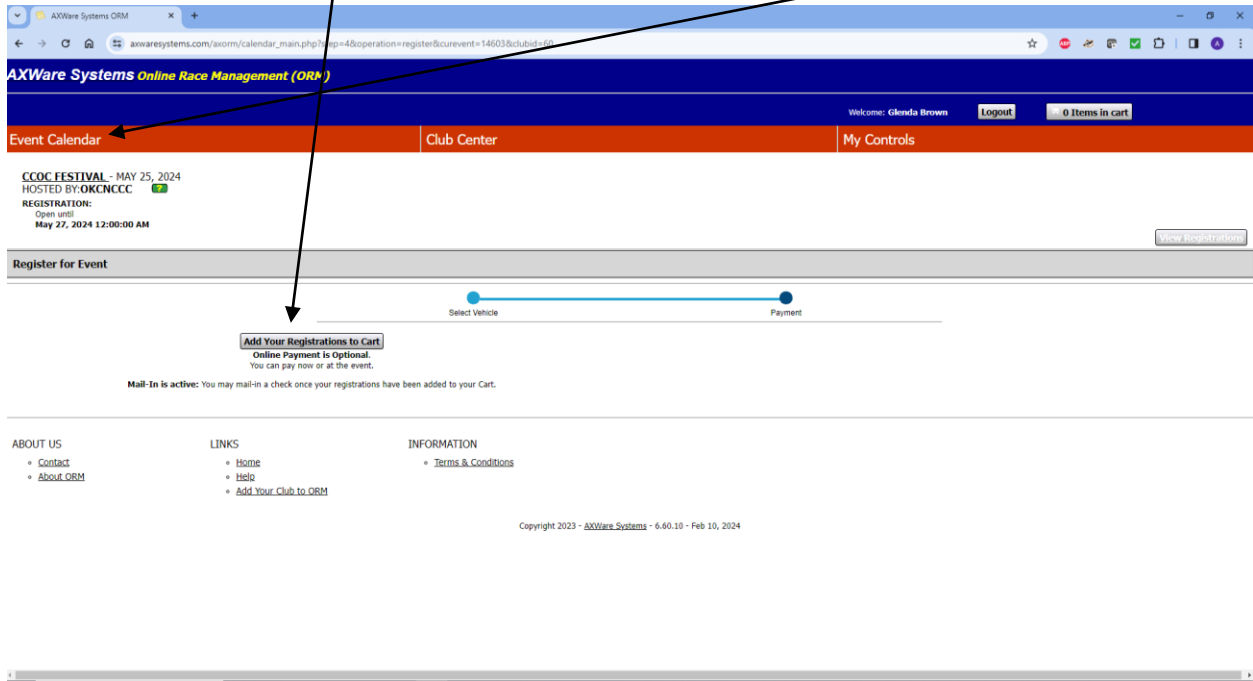

If you are registering for the weekend package select each day and the package discount should be there at check out.

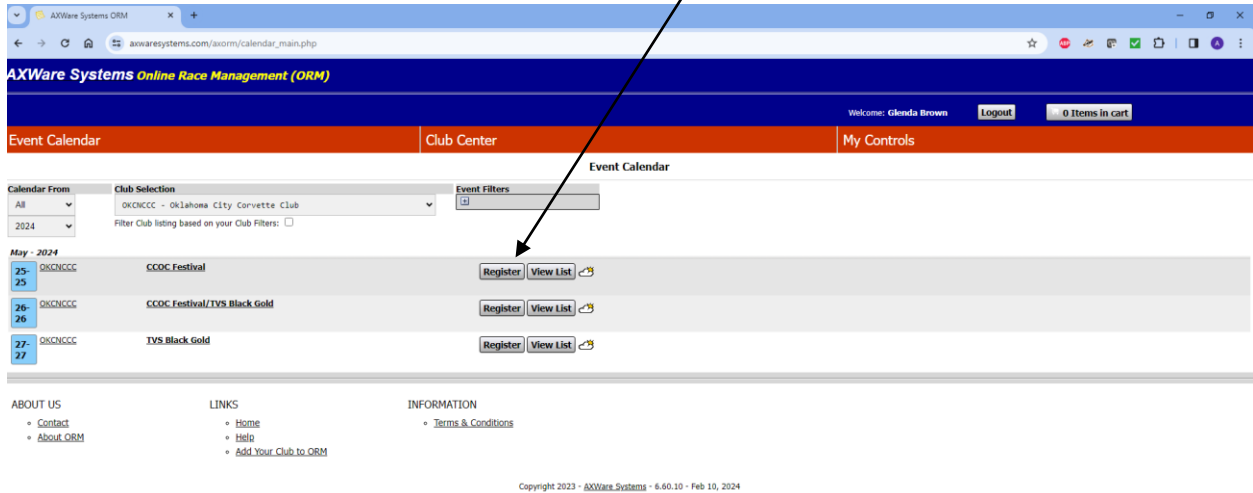

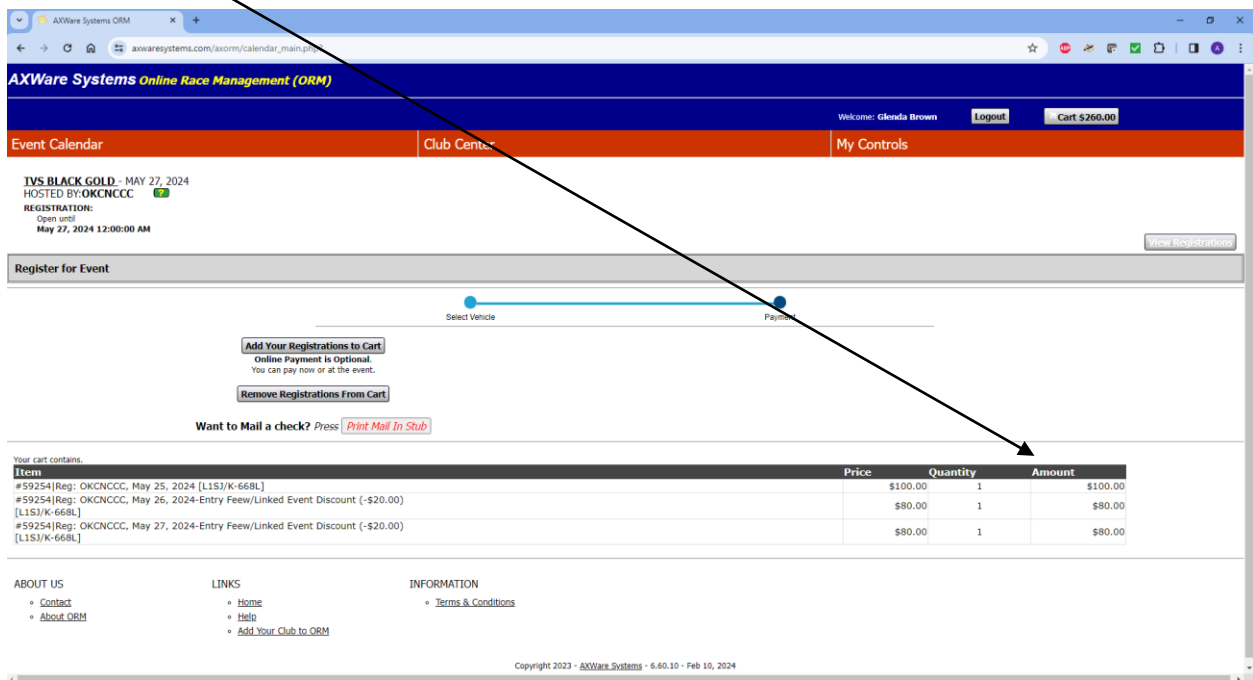

Then select the car from your garage and you should see it below then click Next>Payment
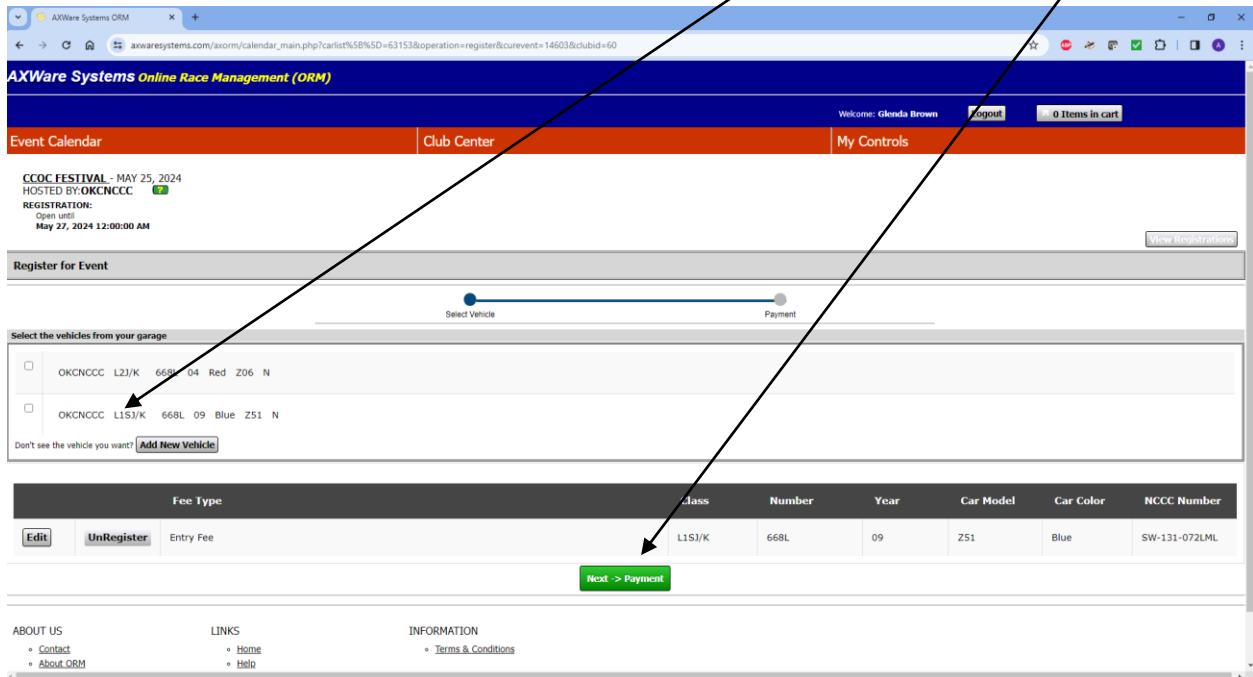

Add your registration to Cart, then if you are entering more than one day select the Event Calendar tab and repeat the previous procedure.

After adding the other two days you should see a screen listing the three days with the package discounted price.
