Sign-Up to Assist ...if You are Needed

Revision: November 15, 2009

Southwest Region NCCC TRAVELING HELP NETWORK

This letter is designed to explain the purpose of the ***Southwest Region Traveling Help Network*** along with providing some guidelines for its use.

The program was brought back from the 90's where it was conceived with the idea in mind that if you had issues while traveling in your Corvette, that you would much rather talk and receive help from a fellow Corvette owner than a stranger.

In your home town or area, you probably know lots of friends or family that would be willing to assist you with an issue on the road in your Vette however; what do you do when you are out of town, say in Houston, Tulsa or Shreveport? Wouldn't you prefer an option other than Bob's wrecker service?

Each SWR Governor would sign-up one or more members in their club to be put on the list as a contact person; this provides several choices when trying to get in touch with someone when a person needs assistance. We would also hope that there are a few members from each club that are technical / mechanically inclined; sometimes someone might just need to ask what to do. We would highly recommend that at least one person from each club should have a car trailer, for situations where someone's Vette needs to be picked up and taken somewhere for repair; and everyone should be intelligent enough to help push a Vette up on a trailer.

If you enlist to have your name included, you have agreed to provide assistance; for free, to help a fellow Vette owner. We would certainly hope that the person receiving assistance would at least offer some form of appreciations, even if just to pay for vehicle gas.

If you are on the list and receive the call for assistance, you have made a commitment to respond as soon as you can or to find someone who can. The call may not be life or death however, several hours at night waiting can seem like eternity; so put yourself in their shoes when you receive the call.

NO SOLICITATIONS OR DISTRIBUTION OUTSIDE OF CLUB MEMBERSHIP IS PERMITTED!!! This list will be for contacting someone when you are in need of assistance. That form of assistance is NOT to ask what kind of exhaust or tires to buy; nor to make a mailing list for solicitations or jokes – PLEASE DO NOT ABUSE IT!!!

Each member of the Southwest Region NCCC would receive an electronic copy of the list, this letter to use as a "rulebook" and finally a map that indicates approximate hometown locations for people on the list. After all, you wouldn't want to call someone in Oklahoma City to assist you when you are outside of Austin, TX.

The idea of this Traveling Help Network goes back to the grass roots meaning of any club; Help your fellow members; this should be an informal, "help your friend" kind of action.

If you have questions, please feel free to contact me for clarifications. If you would like to volunteer, please fill out the attached paperwork and provide it to:

Thanks,

Douglas McMahan

By listing a phone number on this form, it means that it is ok for a person in need to call you at that number, night or day.

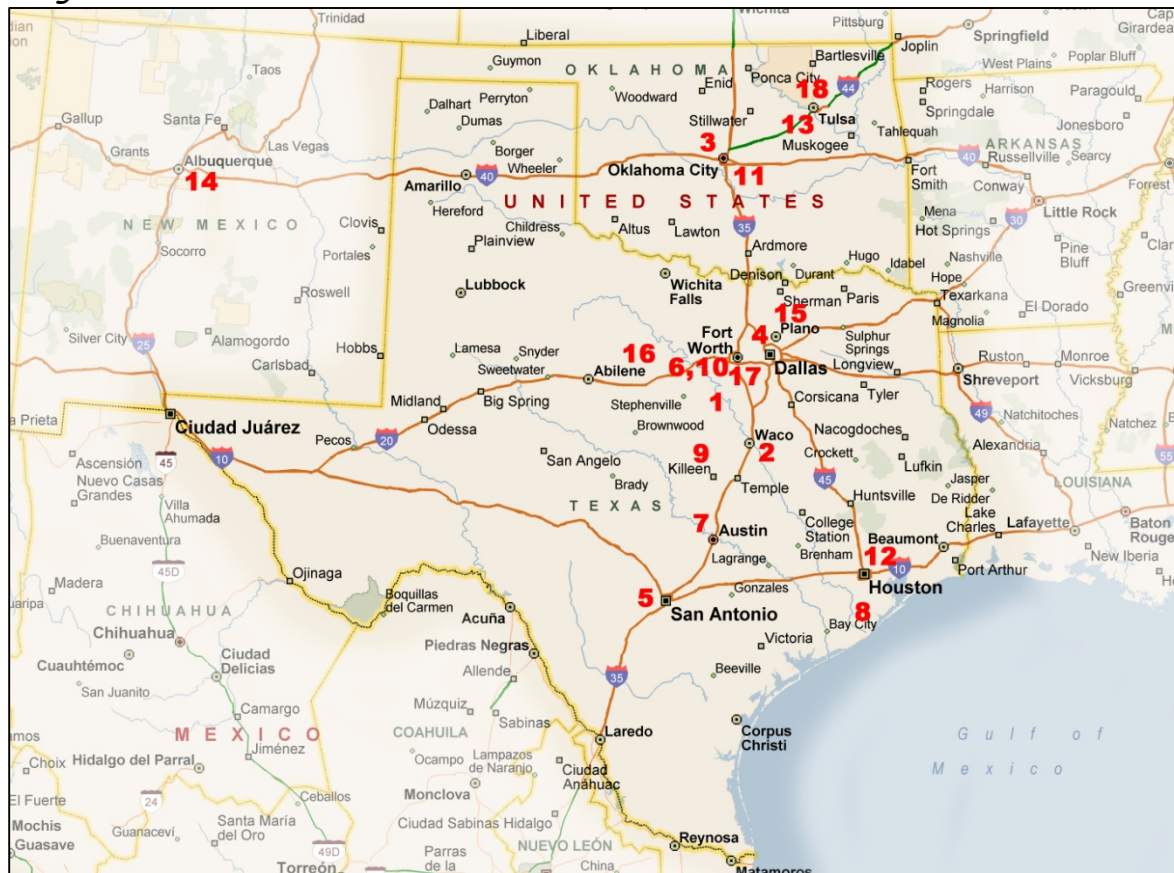

On the Map & List below, the number besides the club number corresponds to a number on the MAP.

If you have corrections or additions to your listing, please direct those to Doug McMahan

We certainly hope that nobody needs to use this listing however, if you do, remember that you will be talking to friends that have offered to assist.

Thanks to all of you that volunteer to assist fellow Vette owners when they are in need

Douglas McMahan
